title; pp 1-54, tunes (94); pp [55-56], index.

National Library of Ireland, Dublin.\*

4.9 x 6.6". Bound up with edition I (above) and three other music books. There is a watermarked date on p 31, but only the tops of the figures appear. It is apparently 1821, or less probably 1831.

In spite of the changed wording of the title, there are no additional tunes in this edition.
