**1985 Music Book for Beginners** by Bagpipes of Caledonia.

This is a small booklet that has been through at least 6 reprints. In 1994 Bagpipes of Caledonia published a more elaborate tutor called *The Caledonia Bagpipe Manual* and it is obviously inspired by this book. *The Caledonia Bagpipe Manual* will be treated as a separate book.

This book is identical to the one below except for one small point. On the rear cover the publisher's address is given as Poplar Lane, Edinburgh EH6 7HD. The address on the next book is Links Garden Lane, Edinburgh EH6 7JQ. This latter address is the current address and this proves the Poplar Lane address must have been earlier.

The last tune in the book is called *We're No Awa' to Bide Awa'*, but the melody does not fit that title. In the 1997 edition below this has been corrected and the title has changed to *Will Ye No Come Back Again*.
