Front cover

p [i], contents; p [1-39], tunes (44).

The Author's Collection.
280mm x 220mm.

The date of this collection is in doubt and it is only the numbers '6/91' above the Alphabetical List of Tunes that has led the writer to believe it might be the publication date. Hebridean Ventures also published a number of books compiled by Bruce D Liberati in the 1980s but they do not appear to exist any more. This is a spiral bound collection of tunes photocopied from a number of published sources. The writer also has a version of this collection in a brown manila envelope with the image above glued onto it. There is no ISBN.
