1974 **Tutor for Highland Bagpipes** by City of Newcastle R S L Pipe Band.

1 1974

p 1, index; pp 2, forenote; pp 3-30, instructions; pp 31-40, tunes (10).

The Author's Collection.

Cannon did not locate this book. It does not appear to have had a large circulation outside Australia and this would explain why he did not locate it. No individual is credited with having compiled this tutor but a comment in the Forenote on page 2 indicates it was intended for 'future and present band pipers'. There is no title-page and the above image is from the front cover.
